PEER SUPPORT STUDY RECRUITING NOW

- ARE YOU:**
- ✓ Involved in peer support in any role?
 - ✓ Willing to talk about your views on AI tools?
 - ✓ 18 years old or older?

You are invited to participate in a study to help us design **digital tools** for **peer support programs** by developing an intelligent **chatbot**. The chatbot acts as a mediator to alleviate the workload of facilitators, promote quality discussion and personalize support.

Only three steps to shape the future!
